PROVVEDIMENTO N. 8/1983

Prezzi delle specialità medicinali

DISPOSIZIONI E COMUNICATI

PRESIDENZA DEL CONSIGLIO DEI MINISTRI

COMITATO INTERMINISTERIALE DEI PREZZI

Provvedimento n. 8/1983. — Prezzi delle specialità medicinali

IL COMITATO INTERMINISTERIALE DEI PREZZI

Visti i decreti legislativi luogotenenziali 19 ottobre 1944, n. 347 e 23 aprile 1946, n. 363;

Visti i decreti legislativi del Capo provvisorio dello Stato 22 aprile 1947, n. 283 e 15 settembre 1947, n. 896 e successive disposizioni;

Visto l'art. 33 del decreto-legge 26 ottobre 1970, n. 745, convertito in legge 18 dicembre 1970, n. 1034;

Viste le delibere del C.I.P.E. in data 27 luglio 1971, 2 maggio 1975, 17 dicembre 1976, 27 luglio 1978;

Visto l'art. 2 del decreto-legge 4 maggio 1977, n. 187, convertito in legge 11 luglio 1977, n. 395, che rende operativo, con decorrenza 1º giugno 1977, il nuovo metodo di determinazione dei prezzi delle specialità medicinali;

Vista la delibera C.I.P.I. in data 6 maggio 1981;

Viste le domande inoltrate ai sensi della richiamata delibera del C.I.P.E. 27 luglio 1978 ai fini del riconoscimento della aliquota di ricerca scientifica;

Visti i provvedimenti C.I.P. numeri 50/1979, 44/1981 e 14/1982;

Visto l'esito dell'esame delle istanze presentate dalle aziende interessate avverso i provvedimenti C.I.P. sopra richiamati:

Preso atto delle nuove registrazioni in corso, trasmesse dal Ministero della sanità per la determinazione del primo prezzo al pubblico;

Vista la relazione predisposta dal Servizio prodotti farmaceutici del C.I.P.;

Preso atto degli incrementi verificatisi nei fattori di costo riguardanti la manodopera, i materiali di confezionamento e le materie prime;

Ritenuto necessario procedere all'aggiornamento dei prezzi, nel quadro delle compatibilità generali determinate dalla difficile situazione economica del paese e nei limiti programmatici stabiliti dal Governo per l'anno 1983;

Ritenuto altresì che la valorizzazione del costo del lavoro e del valore aggiunto globale d'impresa consente una rivalutazione più adeguata dei prodotti a basso prezzo;

Sentita la Commissione centrale prezzi (art. 2 del decreto legislativo luogotenenziale 19 ottobre 1944, n. 347) in data 1º febbraio 1983:

Delibera:

- 1) Il costo della manodopera del metodo di calcolo per la determinazione e revisione dei prezzi delle specialità medicinali è aggiornato, a decorrere dal giorno successivo a quello della pubblicazione del presente provvedimento nella Gazzetta Ufficiale in L. 15.500/ora; con pari decorrenza è aggionato, fino al conseguimento del livello globale medio di aumento del 12% dei prezzi il costo totale di trasformazione di impresa (C.T.T.).
- 2) A decorrere dal giorno successivo a quello della pubblicazione del presente provvedimento nella Gazzetta Ufficiale, avranno applicazione i prezzi delle specialità medicinali compresi nell'allegato A.

Tali prezzi sono comprensivi di IVA.

3) Tenuto conto dei problemi derivanti dalle giacenze di materiali e di prodotti finiti è consentita, per dette giacenze ai produttori, ai grossisti ed ai farmacisti la sovrastampa indelebile o l'adozione di un bollino trasparente autoadesivo recante il nuovo prezzo e gli estremi del provvedimento C.I.P. n. 8/1983, da sovrapporre, alla fustella o etichetta originali che consenta di identificare chiaramente questi ultimi con particolare riguardo al nome del prodotto. Il bollino in questione, una volta applicato, non potrà essere asportabile se non deteriorando la fustella o etichetta originale.

Considerati infine i problemi organizzativi derivanti alla distribuzione dalla simultanea variazione dei prezzi di un così elevato numero di confezioni, per un periodo di novanta giorni successivi alla data di pubblicazione nella Gazzetta Ufficiale del presente provvedimento, le specialità medicinali di cui all'allegato A al provvedimento n. 8/1983, possono essere cedute anche al prezzo antecedente.

- 4) Ai fini del provvedimento di registrazione da parte del competente Ministero della sanità, sono fissati i prezzi ai pubblico IVA compresa delle specialità medicinali di cui agli allegati B e C. Ciascuno dei prezzi deliberati sarà efficace solo dopo la registrazione quale specialità medicinale, da parte del competente Ministero della sanità, del prodotto cui il prezzo stesso si riferisce. Conseguentemente i prezzi in questione saranno pubblicati nella Gazzetta Ufficiale contestualmente o in concomitanza con l'emanazione dei decreti di registrazione quali specialità medicinali dei rispettivi prodotti a mezzo elenco progressivo nei quali sarà riportata la data del presente provvedimento e del numero progressivo dell'elenco.
- 5) I margini di distribuzione da applicare sui prezzi delle specialità medicinali di cui agli allegati A, B e C sono fissati come segue:

grossisti: 8% sul prezzo al pubblico al netto dell'IVA; farmacisti: 25% sul prezzo al pubblico al netto dell'IVA.

Roma, addi 24 febbraio 1983

Il Ministro - Presidente delegato
PANDOLFI
